

HISTORIAN PROGRAM 2010-2011

HELLO YOU ALL

My niece, Cindy Painter, has become Department President , of The Veterans of Foreign Wars of the United States , Ladies Auxiliary Department of Ohio, for 2010-2011

Cindy has asked me if I could help her out in gathering information from all you Auxiliary sisters. She has so much to do being Department President , she needs helpers. Being the kind Uncle that I am I said sure I would give it a whirl. Woman love to talk and I am a very good listener. I shouldn't have any problems gathering talk for her.

When you ladies talk to me there is just one thing I will need you to do. President Cindy wants everything we talk about down on paper and mailed to me. I am asking you ladies to complete two (2) projects to help her out.
