Here are some frequently asked questions:

Q: If a auxiliary orders cancer pins and/or key chains and then picks them up at the June Convention, will shipping fee of \$5.00 be refunded?

A: No. Once the check is received at the department office, it is recorded and information is sent to the department chairman. No additional paperwork will be instituted.

Q: If the auxiliary orders cancer pins and/or key chains, and needs to reorder, do they have to pay another \$5.00 shipping fee?

A: Yes. Each time an order is shipped, a \$5.00 shipping fee must accompany the order.

Q: If the auxiliary re-orders and doesn't include \$5.00 shipping fee, what will happen to their order?

A: The order will be held until a check for \$5.00 is received at the department office.

Q: What if our auxiliary only needs 5 cancer pins, do we still have to pay the \$5.00 shipping fee.

A: Yes. All shipped orders must pay \$5.00. We will attempt to give the auxiliary the name of someone in their district who may have consignment pins that they can purchase without having to have them shipped.

I hope this information answers all of your questions.

Thank You for your continued support of the Cancer Aid & Research program. Your donations may make the difference in someone's life.
